

## **Support WMST PCHS through the 2012 Combined Federal Campaign**

During this open enrollment season for federal workers in the 2012 [Combined Federal Campaign](#) (CFC), please consider making a pledge of support Washington Math Science Technology Public Charter High School (WMST PCHS) to help us strengthen our educational programs. Our CFC number is 29541.

Operating since 1998, WMST PCHS helps provide its student body of nearly 400 students through its International Baccalaureate program and Science Technology Engineering and Mathematics (STEM)-focused curriculum for the rigors of college and the workplace. Alumni, parents, guardians and friends of the school should consider supporting WMST PCHS through the CFC program. Thank you in advance for your pledge.

Those with questions about our CFC participation should contact [Dr. N'Deye Diagne](#) at WMST PCHS at 202-636-8011.
