

PARENT REPORT CARDS

Parents are *key* to student success and student achievement. WMST stresses parent involvement throughout the school year and depend on parents to become active collaborators in their child's school life. Students look to their parents for support and guidance and research shows that when given positive encouragement and reinforcement by parents students' perform more successfully..

Parents will receive their report cards mid-year (January) and at the end of the school year (May). Parents who fulfill the requirements set forth in the WMST Parent Program will be recognized at the Spring Parent Appreciation Banquet.
